

WE'RE HIRING!

Commander Counseling & Wellness is looking for a **Postdoctoral Fellow** for the 2022-2023 academic year.

Commander Counseling & Wellness (CCW) is an inclusive facility dedicated to helping individuals create change that will help them lead healthier lives and maximize their potential. CCW offers a myriad of services by licensed healthcare providers including counseling, psychological assessment and testing, sport and performance psychology, and nutrition services.

POSITION SUMMARY: CCW is pleased to offer full-time Postdoctoral Clinical Psychology Fellow positions beginning summer/fall 2022. The position is designed for the clinicians who want specialized training in sport psychology and/or psychological testing. Responsibilities include providing counseling, mental performance services to individuals and teams/organizations, and psychological assessments. This position can be considered supervised professional experience under the direction of Oklahoma licensed psychologist supervisors. It is expected that the Postdoctoral Fellow will accrue 2,000 hours of supervised professional experience within this 12-month time frame to fulfill state requirements for licensure as a practicing psychologist.

COMPENSATION: Compensation is competitive with a salary at \$60,000. CCW provides 7 paid holidays, 10 PTO Days, malpractice insurance, healthcare benefits, and reimbursement towards licensure fees. The position will also receive professional development time (1 conference per year) and funds for licensure.

TYPICAL CLIENTELE: CCW services the Norman, Oklahoma community and surrounding communities. Approximately 600-700 clients are seen annually, and present with a myriad of mental health and sport psychology/performance concerns. Provide performance psychology services to various junior, professional, and Olympic/Paralympic athletes, dancers, and organizations. Typical areas being assessed are ADHD, learning disorders, Autism Spectrum Disorder, trauma, placement for foster children, and other pathology.
